Gross dividends are calculated by adding the actual distribution per share with the corresponding per share portion of foreign tax withheld at the source on the fund's income. Please refer to your account statement to determine the amount of shares held on the date paid.

Holding Period Requirements: To claim this credit, you need to have owned shares for at least 15 days within the 31 day period that begins 15 days before the ex-dividend date, not including the day your shares were acquired.

Foreign tax paid may be deducted in computing taxable income if deductions are itemized or may be claimed as a credit against U.S. income tax. To claim the foreign tax credit, individuals must generally complete Form 1116. An exception to this filing requirement is available if certain conditions are met.

Retain this statement as proof of foreign tax payment if either a deduction or credit is claimed.

Consult your tax advisor for more information on your reporting of this information.
